IMPORTANT:

1. **VRAR students will automatically be registered in the required TERM 1 courses (SCIE 1110, CMPT 1010, CMPT 1030, CMPT 1040).**
1. The elective courses listed above have been recommended as suitable electives by the program department. Visit each course page to review its individual requirements.
2. Please note that meeting the admission requirement to the VRAR Design and Development program does **NOT** guarantee elective course registration. Students must make sure they meet the selected course(s) pre-requisite(s).
3. Courses are offered based on availability and can be filled up soon. Course registration availability is not guaranteed.
4. VCC will register students into **ONE** elective course based on the above preference and its schedule availability. If preferred elective course is full or not offered, students will be registered into alternate elective course.
